

FRIENDS OF BASKETBALL AWARD

The **Friends of Basketball Award** allows coaches to recognize an individual or group who has made a positive impact on their basketball program or community. Coaches may select a deserving person or group who consistently supports their team behind the scenes. Every program has someone who fills this role—this award gives coaches the opportunity to say thank you and honor their contributions.

A certificate template is available on the OBCA website and may be downloaded and used to create a presentation certificate for the honoree.
